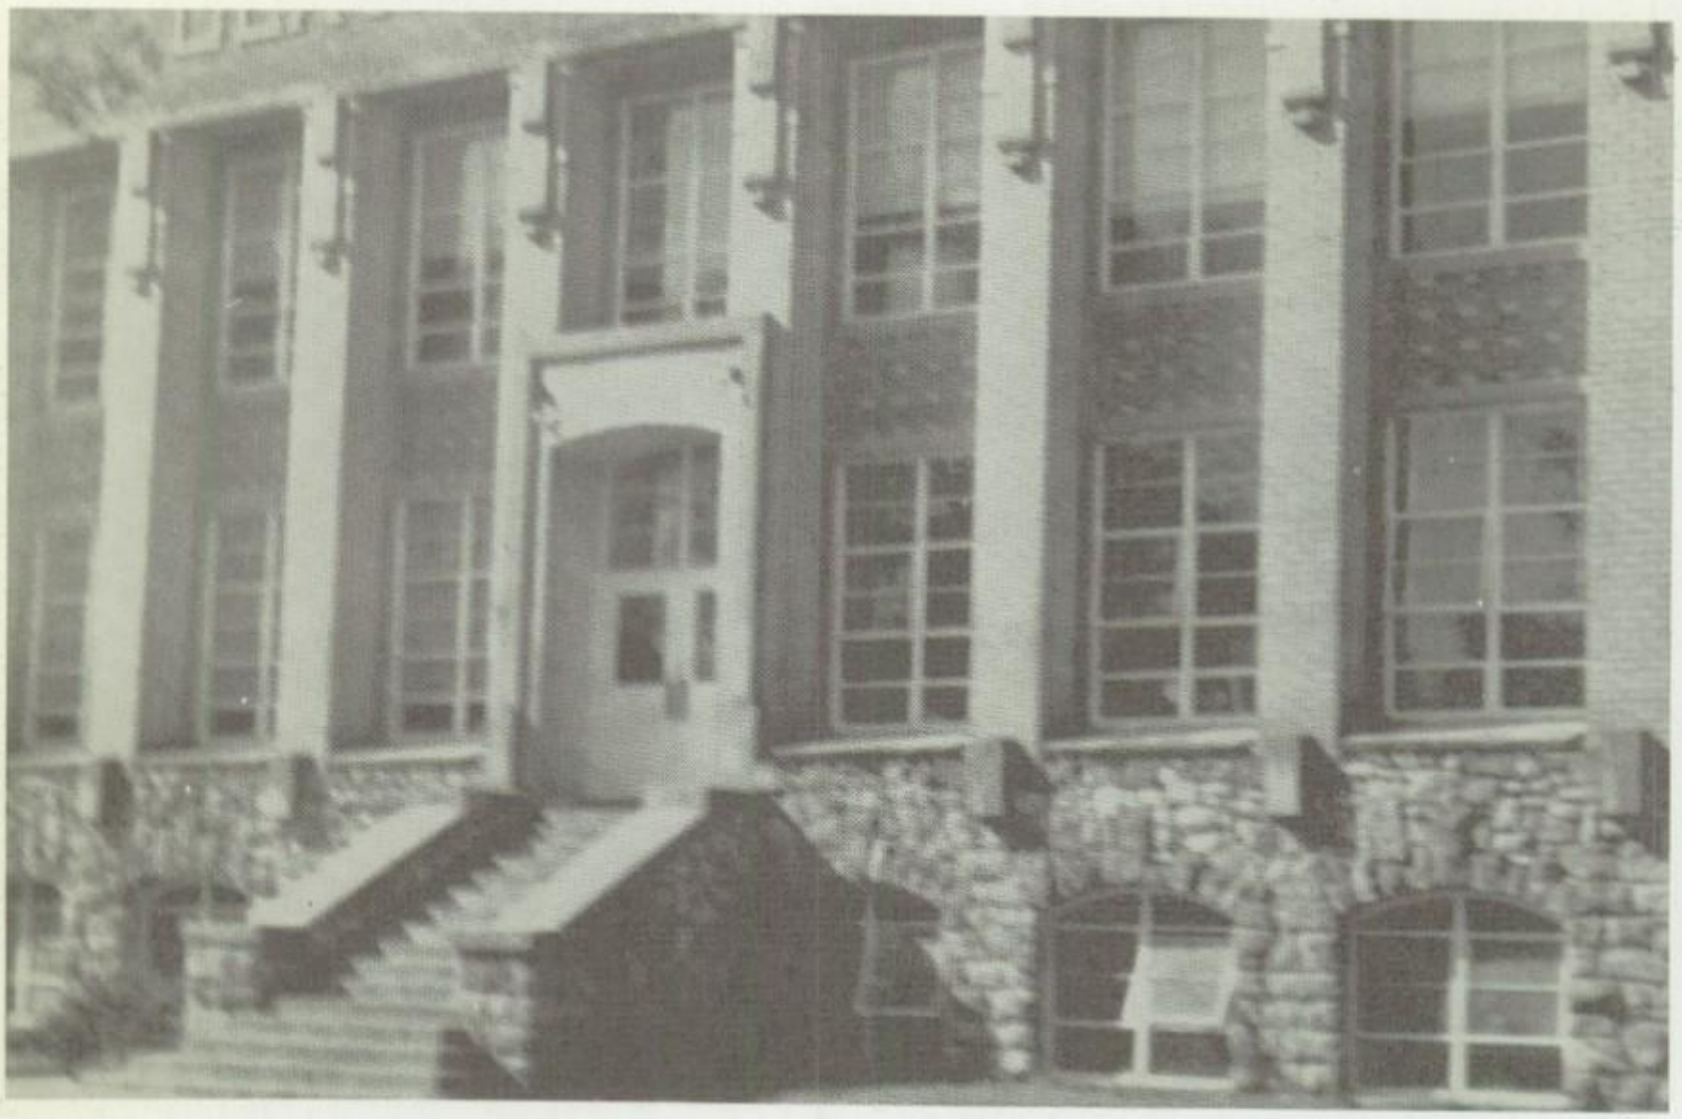
THE CARDINAL

DEXTER HIGH SCHOOL

Dexter, Kansas



FOREWORD

Gathered within these pages are treasured memories of classmates, teachers, activities, and all that has been a part of our school life at Dexter High School.

The publication of this annual has been a challenge to us. It has required the co-operation of our sponsor, staff, students, and those who have so generously contributed their support through advertisements. Our thanks go to everyone who has helped us.

On behalf of the annual staff, we hope that this publication will be one of your most cherished possessions.
